BR608 – BRIEF RELIEF DISPOSABLE URINAL BAG

For liquid waste. Each pouch contains a proprietary blend of polymers and enzymes which absorb liquid waste and odor until it is fully contained in a gelled state. The snap top closure opens with a locking handle to keep hands from coming in contact with the waste. The one-way funnel design directs the liquid into the bottom of the pouch and prevents spills. After use the leak proof top can be snapped shut and disposed of in any trash container along with supplied antibacterial wipe. Product is designed for use by men and women.

BR500 – DISPOSA-JOHN

For solid waste. The bag-in-bag design contains a proprietary blend of polymers and enzymes which absorbs odor, solid and liquid waste until it is contained in a gelled state. The inner grey bag pulls up over the Commode seat for added sanitation. The outer silver foil bag is constructed of a 3 layer barrier laminate to trap in the odor. After use the zip lock closure securely contains the waste and the bag can be disposed of in any trash container. Each bag comes with toilet paper and an antibacterial wipe.

BR901 – DAILY RESTROOM KIT

Provides restroom supplies for one person for one day: contains 2-BR608 and 1-BR500 for use with The Commode.

THE COMMODE

The Commode sets up instantly as a sturdy 5 gallon base with a full size soft foam toilet seat that fits firmly on top. All the supplies you need are contained in this 5-gallon bucket with locking twist-on lid. The Commode comes available in several ready to go combinations.

PORTA-QUICK COMBINATIONS

• PQ303 – Porta-Quick Small Kit

Supplies for 3 people for 1 day or 1 person for 3 days. Includes Commode, Seat and 3 BR901 Daily Restroom Kits (6 x BR608 & 3 x BR500)
